Supportive international approach to increase and improve the mobility and exchange in the Mediterranean Basin

- Students, professionals, researchers and young entrepreneurs mobility exchanges.
- Capacity building of mobility expert.
- Events promoting dialogue, cultural and socio-economic exchange.

This brochure has been produced with the financial assistance of the European Union under the ENPI CBC Mediterranean Sea Basin Programme. The contents of this brochure are the sole responsibility of the Chamber of Commerce of Sevilla and can under no circumstances be regarded as reflecting the position of the European Union or of the Programme's management structures.

The total budget of MED-MOBIL is 1,560,000.00 Euros. 90% funded by the EU.

Project funded by the EUROPEAN UNION

Project funded by the EUROPEAN UNION

Objective

MED-MOBIL objective is to contribute to a sustainable and harmonious cooperation process and promote dialogue in the Mediterranean Sea Basin by supporting and improving mobility, exchanges, training and professionalism of young people, facilitating cultural, social and economic exchange.

Partners

The partnership is integrated by seven partners from different Mediterranean countries.

Official Chamber of Commerce, Industry and Shipping of Seville (Spain)

Mediterranean Universities Union - UNIMED (Italy)

University College of Applied Sciences – UCAS (Palestinian Authority)

Jordan University of Science and Technology – JUST (Jordan)

Planning and Development Agency (Lebanon)

Knowledge and Innovation Consultants – KINNO (Greece)

Birzeit University (Palestine)

The Project

The project MED-MOBIL will carry out diverse activities addressing specific target groups, especially young people: students, researchers, professors, entrepreneurs, professionals...

Main Activities

- Pilot Mobility Programme: Through MED-MOBIL, 192 beneficiaries will participate in pilot mobility actions.
- Cross Cultural Events: These actions aim to reinforce networking and cultural exchange of all target groups of the project.
- Training: targeting mobility agents or professionals interested to gain knowledge in mobility programmes.
- Seminars: The project will organise best practices meeting focused on mobility and exchange programmes in each of the partner's countries.
- Network: Integrated by experts on mobility to assist and support policy level structures for mobility programmes in the Mediterranean.
- Also, the partnership will develop a comparative analysis study and a policy plan for policymaker's users.
