Are the NGOs and LOs in
south country

CSOs?

CBOs?

Experiences with ENPI CBC MED

- **In the Community based society:**

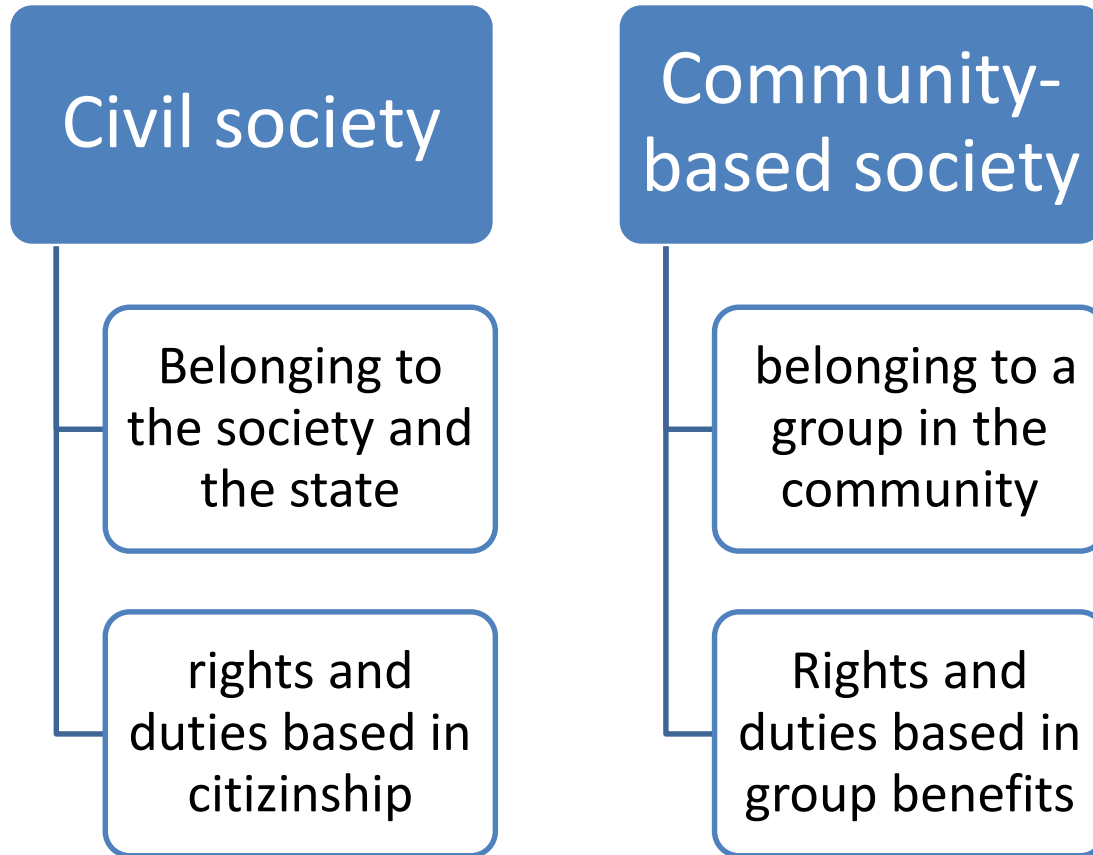

The individual feel and practice through natural sense of belonging to the initial group, in which man is born, starting with the family, passing the big family, leading to the group that shared religious faith, and the end of its existence region.

Experiences with ENPI CBC MED

• **In the civil society:**

- The feeling and awareness of belonging to the society and the state
- control and accountability by allowing democracy as a system rule and the methodology of behavior
- act in accordance with this trend in individual practice
