

Conference

AGENDA

Meeting Objectives

The Conference is organized by UNIMED with the support of the EU Delegation in Libya, and in collaboration with the Libyan Education Ministry, the Libyan National Erasmus Office Coordinator.

The main purpose of the online event is to present UNIMED's report on Higher Education in Libya, and discuss with the conference participants the recommendations proposed, and to promote concrete partnerships and initiatives to respond to the needs of the Libyan Higher Education system.

About Libya Restart

In 2018 UNIMED decided to launch the Libya Restart project, an I initiative aimed at gaining a deeper understanding of the Libyan Higher Education System, through a research activity performed jointly by UNIMED staff and Libyan colleagues. We spent one year collecting and analyzing data and documentation, sharing ideas, and finding alternative sources and interpretations.

Libya Restart is the concrete result of our work.
